

*The embodiment of food and feasting:
A reminder of the connection between food and identity, people and nature.*

*Out of consideration for other manuhiri,
we appreciate one bill per table (equal splits are cool)*

There is something quite special about breaking bread with someone. Sharing our food in our own way is a fundamental part of getting to know us. So, when we started to create the Tahu vision, it took us on a journey that honoured our tīpuna (ancestors), paid homage to Te Tairāwhiti as a region, and started something that can make a difference on an array of levels. Join us on the journey.
